Public comment was heard from Joe Falkenburg, Ann Abbott and Lyle Jensen. Falkenburg spoke of programs in his past that allowed young people to work with businesses. Kids that came from disadvantaged homes appeared to excel when working with constructive individuals. He would like to see some sort of rewarding program like this at the county level. This may help children to excel in areas that otherwise they may not. The possibility of using some veterans in this program may also be an option. Abbott wondered when further jail discussion may be held. Jensen spoke of the possibility of moving the metal detector to the basement. This would allow for less congestion on court days.

Motion made by Nabholz, seconded by Allen, to adjourn at 10:35 a.m.

/s/ Joe Falkenburg
Joe Falkenburg, Chair
Board of Fall River County Commissioners
