Brian Ahrendt, State's Attorney, met with the board to discuss the concealed carry policy. Ahrendt recapped the progress of the policy to date. He recently reviewed the statutes that were passed at the last legislative session concerning weapons and found that they were specifically for the State Capital. His concern was that if the county weapon policy passed, it may result in no limits to who can carry in the courthouse, he doesn't want the county to get into a situation where court will not be held again in Fall River County and our county would be a test case. Ahrendt recommended the policy be reconsidered. Nabholz moved to approve the Fall River employee carry policy which included a waiver and hold harmless agreement, as drafted by Ahrendt, but with the corrections by Nabholz. Discussion was held on the statute and sub sections and requirements by the presiding judge. After further discussion, Nabholz rescinded his original motion.

Motion made by Russell, seconded by Allen, to drop the conceal carry policy until state legislature makes it very clear regarding weapons in a courthouse. With all voting yes by roll call vote, motion carries.

The second reading of an ordinance prohibiting the use of dynamic brake devices was held. Discussion was held on the placement of signs in the county. The SD DOT requires certain language in the ordinance to place signs in specific locations. Allen wants the ordinance to address specified areas. Ahrendt noted the ordinance could have sub-sections on location that could be changed if needed. Nabholz had email correspondence with the SD DOT that needed specifications in the ordinance. Allen will meet with Ahrendt to re-write the language for sign placement in the ordinance with sub-sections noting specific locations. This will be brought back as a first reading.

Motion made by Abbott, seconded by Russell, to approve the bills as follows:

Break was taken at 10:02 a.m. and the meeting reconvened at 10:08 a.m.

Tom Mertz was unable to meet with the board, but Nabholz had some concerns with the 4-mile project on OLD 79 not being as good as he hoped for the expense. Other commissioners thought that the project was an improvement and had no complaints.

Randy Seiler, Highway Superintendent, met with the board. The 2019 5-year plan was presented for review; more discussion would be held during the hearing at the next meeting.

Motion made by Russell, seconded by Abbott, to approve the Golden West application for permit to occupy county highway right-of-way located from intersection of Hay Canyon Rd. and Sand Creek Rd. to driveway of 27801 Sand Creek Rd – Carl and Kari Sanders.

Motion made by Russell, seconded by Allen, to approve travel for Seiler to attend the LTAP meeting in Rapid City on October 16 and October 17, 2019.

Seiler updated the board that one of their current graders warranty will be running out soon. They will be trading this grader in for a new one next year. Seiler would rather not spend the money to extend the warranty on it and do a possible earlier trade-in next January for it. The grader seems to be running fine now, as is.

Seiler also updated the board that they are starting to work with FEMA on flooding but will not have enough damages to turn in for the second disaster declaration. Seiler listed all the roads that have been repaired this year due to the weather and flooding.

Seiler stated that the plans for Chilson Bridge were originally to be done by December 1, 2019 and to be bid in March 2020. The SD DOT contacted Seiler that now an investigation will be done on a pile of rocks were found last year, which could mean a possible burial site. This will delay the building of the bridge until 2021.

Lyle Rudloff met with the board. Discussion was held about getting the appropriate people from the state to meet with the public and to help expedite the Chilson Bridge project. Seiler will meet with Doug Kinniburgh from the state at the LTAP meeting. Allen will contact Oglala Lakota tribe to try and help speed things up where the possible burial site is concerned. Seiler will also invite Kinniburgh to the next meeting.

Public comment was heard from Frank Maynard, Joe Falkenburg, Deb Russell and Shirley McKnight. Maynard complimented the board, department heads and maintenance for the help in receiving his award; it is a community effort. Falkenburg read a letter from the seventh judicial circuit court discussing a onetime 75% match for courthouse security expenses. Russell gave a short recap of attending convention; materials would be available if anyone was interested in learning more. McKnight expressed concerns about the Chilson Bridge and whistle blowing that may be going on concerning the pile of rocks.

Dustin Ross, Andersen Engineers, met with the board. Motion made by Allen, seconded by Russell, to approve the following resolution:

FALL RIVER COUNTY RESOLUTION #2019-35

Fall River County Board of Commissioners

Paul Nabholz, Commissioner, met with the board. The Custer/Fall River Landfill will receive a grant in the amount of \$90,000.00 from the state, which comes to approximately 20% of their total budget.

Discussion was held on making the state's attorney a full-time position, which would be effective for the 2020 election. Ahrendt noted there needs to be an attorney in the courthouse for 30-40 hours a week due to work and assistance he gives to supervisors. Nabholz questioned the state's attorney being council for Oglala Lakota County if the position was changed to full time. Nabholz questioned if changing the State's Attorney can change to full time by county motion and asked for an Attorney General opinion. Ahrendt will check into state statutes and the current contracts and bring it back to the next meeting.

Motion made by Abbott, seconded by Allen, to enter executive session as per SDCL 1-25-2 (1) and SDCL 1-25-2 (4) for personnel and negotiation purposes at 11:05 a.m.

The board came out of executive session at 11:30 a.m.

Motion made by Nabholz, seconded by Abbott, to adjourn at 11:30 a.m.

Dear Chairman Falkenburg:

This is to inform you that the U.S. Board on Geographic Names, at its September 12, 2019 meeting, did not approve the proposal to change the name of Larive Lake, a reservoir in Fall River County, to Hidden Lake. This decision was made citing a reluctance to change a longstanding commemorative name and concerns that the proposed name violates the Commercial Names Policy ("The BGN will usually reject a proposed name when the primary purpose of the name is construed to promote a commercial product or enterprise").

Sincerely,

CONTRACT FOR HOUSING OF PRISONERS AND DETAINEES
IN THE PENNINGTON COUNTY JAIL

Comes now, the Pennington County Sheriff (PCSO), located at 300 Kansas City Street in Rapid City, South Dakota and the Fall River County Sheriff (FRCSO), located at 906 N. River Street in Hot Springs, South Dakota, and agree as follows:

WHEREAS, PCSO manages and operates the Pennington County Jail located at 307 Saint Joseph Street in Rapid City, South Dakota used for housing of prisoners and detainees and that FRCSO does not have adequate facilities in Fall River County (FRC) for the housing of prisoners and detainees, and

WHEREAS, PCSO is willing to enter an agreement with FRCSO for the housing of prisoners and detainees from FRC under the terms and conditions set forth herein.

ACCORDINGLY, the parties stipulate and agree as follow:

1. PCSO agrees to house and take care of prisoners and detainees of FRC, provide food, clothing, bedding, shoes, razor blades, and other items provided to Pennington County (PC) prisoners on a daily basis. Supervision will be provided by PCSO or its designee in accordance with the written document known as the PC Jail Policies and Procedures Manual. In return for said services being performed by PCSO, FRCSO agrees to pay PCSO \$85 per day for each inmate day. PCSO will bill for the day of arrival but not for the day of departure. Any fees collected by PCSO from FRC inmates for board, medical, or work release costs will be credited to FRCSO on their next month's prisoner board bill.
2. FRCSO herein agrees and understands that it is their responsibility to transport prisoners to the PC Jail at their expense and to provide transportation for prisoners to and from Court at the expense of FRCSO. FRCSO further agrees and understands that it is the responsibility of FRCSO to know when prisoners of FRC are to be in Court. FRCSO also agrees that PCSO will not routinely provide transportation for inmates to Court or medical facilities. FRCSO herein agrees and understands that if transportation is requested by FRCSO and agreed to by PCSO, PCSO will bill transportation costs to FRCSO at \$0.65 per mile and \$30.00 per hour for one deputy/guard and an additional \$20.00 per hour for any additional deputy/guard, as deemed necessary by PCSO.

3. FRCSO herein agrees and understands that PCSO will, when necessary, provide extraordinary and emergency medical or dental care for prisoners or detainees of FRC, that FRCSO will pay the entire expense associated with said extraordinary and emergency medical or dental care; including transportation to and from medical or dental facilities, hospital expenses, drug expenses, doctor expenses, guard fees and any other necessary and proper expenses born by PCSO in connection with extraordinary and emergency medical and dental care. FRCSO herein further agrees and understands that the determination as to whether or not medical or dental care is an emergency will be left to the discretion of the PCSO or his designee. If extraordinary care is indicated, the PCSO will consult with FRCSO to determine proper and reasonable medical care for which FRCSO will be financially responsible.
4. FRCSO herein agrees and understands that PCSO will bill FRCSO for prisoners and detainees held by PCSO for FRCSO. Said bill shall include the cost of each days housing or lodging at the rate of \$85 per day and any and all medical, dental or physician care incurred by PCSO. FRCSO agrees to reimburse PCSO on a monthly basis for all bills submitted by PCSO.
5. FRCSO herein agrees and understands that all prisoners and detainees of FRC housed in the PC Jail are subject to supervision provided by the PCSO or his designee in accordance with the written documentation known as the PC Jail Policies and Procedures Manual and any and all State standards that may be forth coming by the South Dakota legislature or other authorized committee or agency of the State of South Dakota.
6. FRCSO agrees to hold harmless and indemnify PC, PCSO and its officers, agents and employees, from and against any and all claims, actions, suits, damages, liability, judgments or other proceedings, including attorney fees and court costs, which may arise as a result of FRC prisoners and detainees being housed in the PC Jail and receiving medical or dental care and transportation services, all as contemplated and authorized in this Agreement. This section does not require FRCSO to hold harmless and indemnify PC, PCSO and its officers, agents and employees from claims or liability arising solely from the acts or omissions of PCSO, its officers, agents and employees.
7. The parties to this agreement herein fully agree and understand that PCSO may cancel this agreement by giving thirty (30) days written notice to the FRCSO. Said notice shall be sent by certified or registered mail. FRCSO herein agrees and understands it shall have no claim or claims of any kind against PC or the PCSO for cancellation of this agreement. FRCSO further agrees and understands that should PCSO wish to alter any terms or conditions of this agreement, including the cost of housing prisoners, that said alterations or changes shall be provided in writing to the FRCSO by certified mail and FRCSO herein agrees and understands that said

alterations or changes shall commence and take full force and effect thirty (30) days after notice of the same is received by FRCSO.

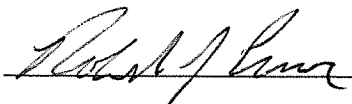

8. The parties to this agreement specifically agree and understand that any and all changes in this agreement shall be made in writing and attached to the master copy of this agreement which shall be held by PCSO. The parties to this agreement do further agree and understand that this agreement constitutes the complete understanding and agreement of the parties hereto and that no other oral agreements have been made that are binding upon the parties hereto.
9. FRCSO herein agrees to provide copies of the authority to PCSO to hold a prisoner or detainee. The authority to hold shall be either an Order of the Court, Warrant of Arrest and/or Complaint, Bench Warrant, Traffic Citation, Sentence, together with the signature of the officer delivering said prisoner or detainee on a form entitled Custody Authorization Form. PCSO reserves the right to reject any prisoner or detainee delivered without adequate authorization. Said paperwork is the consent of FRCSO for PCSO to bill FRCSO under the terms and conditions of this agreement or future addendum or modification of this contract.
10. FRCSO hereby acknowledges that PC is the owner of the PC Jail and that the operation and management of said Jail is vested in PCSO. Any rights, terms or condition provided for in the PC Jail as part of this agreement vests in, and is subject to, the ultimate control of PCSO.
11. Effective Date/Term of this Agreement is January 1, 2020 thru December 31, 2020.

Dated this 11 day of Sept., 2019.

Kevin Thom, Pennington County Sheriff (PCSO)
