

## **FALL RIVER COUNTY UNAPPROVED MINUTES OF AUGUST 18, 2020**

The Fall River Board of County Commissioners met in regular session on August 18, 2020. Present: Joe Allen, Joe Falkenburg, Heath Greenough, Paul Nabholz, Deb Russell and Sue Ganje, Auditor. Falkenburg asked for a prayer for our country during this time.

The Pledge of Allegiance was given, and the meeting called to order at 9:00 a.m.

The agenda was reviewed for conflicts, none noted. ALL MOTIONS RECORDED IN THESE MINUTES WERE PASSED BY UNANIMOUS VOTE, UNLESS OTHERWISE STATED. The full context of the meeting can be found on the county website under Commissioners at <http://fallriver.sdcounties.org>, or under Fall River County Commission, SD at <http://www.YouTube.com>.

Motion made by Russell, seconded by Greenough, to approve the agenda as written.

Applicants for county assistance met with the board. Motion made by Nabholz, seconded by Greenough, to deny CP 2020-03, due to no repayment on previous balance.

Frank Maynard, Emergency Management, met with the board to advise of the continued weekly Region 4 and Department of Health meetings pertaining to COVID-19.

Fires and incidents were reported.

Bob Evans, Sheriff, met with the board. Motion made by Nabholz, seconded by Allen, to approve hiring Jessica Kramer, uncertified dispatcher, \$14.00 per hour, effective August 10, 2020, as per union contract.

Evans also reported that there are 4 females and 14 males in the Fall River County Jail, with 1 male in Pennington County, for a total of 19 inmates. Evans updated the board about the status of a spare dodge pickup, and it was determined that there was a flat lobe on the cam and would possibly be a few thousand dollars to fix.

Lyle Jensen, Building Supervisor, met with the board to present 2 quotes from Simon for the parking lot expansion. The first quote to extend the existing parking to the river in the amount of \$30,831.15, and the second for behind the Director of Equalization office in the amount of \$47,155.00 for a total of \$77,986.15. Motion made by Nabholz, seconded by Russell, to approve the Golden West quote for a HP ProBook computer, external DVD-R/RW, LaserJet printer and Project Installation & Configuration for the Highway Department, in the amount of \$2,698.25.

Randy Seiler, Highway Superintendent, met with the board. Motion made by Greenough, seconded by Allen, to approve the July 2020 fuel used or work performed to reimburse the highway department as follows: Sheriff's Department for \$1,625.72; Weed and Pest Office for \$454.87; Building for \$30.45; Emergency Management for \$64.61; and Director of Equalization for \$51.27.

Seiler gave updates that included patching black top near Edgemont and Oral and will be doing the north end of the Chilson bridge later.

Seiler presented the 5-year plan for review. Discussion was held on the high priority of Shep's Canyon, and possible use of asphalt millings for an estimated cost of \$170,000.00, which could improve the road for 5 years. Box culverts and the Oral road were also discussed as improvements need to be made. Motion made by Russell, seconded by Nabholz, to approve setting the 5-year 2021-2025 County Highway and Bridge Improvement Plan hearing on September 17, 2020 at 9:30 a.m.

Commissioner Nabholz discussed the upcoming CD's that will be maturing at First Interstate Bank at the end of September. Local banks could attend the meeting to discuss rates on the second meeting in September, and the county will be wanting rates for terms of one to five years.

Susie Hayes, Director of Equalization, presented information on behalf of the Auditor, Treasurer, Register of Deeds and Director of Equalization, for the Fred Pryor Seminars. The cost of \$3,980.00 would be for the maximum participants of 20. Additional employees would be

SUBJECT: DISCRETIONARY FORMULA FOR CENTRALLY ASSESSED UTILITIES

DATE: AUGUST 19, 2020

The request for the discretionary reduction is based on the discretionary formula that existed in your county as of January 1, 2020. The Legislative change to the discretionary formula Statutes that took effect on July 1, 2020 that invalidated your old discretionary formula would have no effect on this request.

If you have any questions on this, please do not hesitate to call me at (605) 773-5851 or e-mail me at [todd.bailey@state.sd.us](mailto:todd.bailey@state.sd.us).

Re: Discretionary Formula for Centrally Assessed Companies

Date: August 12, 2020

Black Hills Power is a company that is assessed by the Department of Revenue.

Black Hills Power has certified that the following property located in your county qualifies for the discretionary formulas under SDCL 10-6-35.2 that has been adopted by your county.

Year Qualified	Formula Year	Structure Description
2018	3	Edgemont City Sub-Station # 112

The Department's Record of your discretionary formula:

Year 1	Year 2	Year 3	Year 4	Year 5
0%	0%	0%	0%	0%

The county is responsible for determining whether these structures qualify for the discretionary formula. If approved, please deduct **\$216,217** from the Edgemont School District, **\$216,217** from Edgemont City and this amount from any other taxing district affected by this value. Please note these changes on the growth reports that are submitted to the Department of Revenue. **Also, please inform Paula Brinker from Black Hills Power** of your decision. Paula's e-mail address is **paula.brinker@blackhillscorp.com**. A copy of the discretionary report by school district is included.

I would be happy to answer any questions you have regarding this issue. If you have any specific questions regarding this structure, please contact Paula Brinker at Black Hills Power. Her phone number is (605) 718-2815.

This form is to be used to list discretionary formula values by school district. The total of lines 1, 3, 5, 7 and 9 must equal the total value of properties subject to discretionary formula. The total of lines 2, 4, 6, 8 and 10 must equal total value deducted for discretionary formula. These numbers are ALL FACTORED

1. **Blue Cell EOC Exercise:** SD Office of Emergency Management has contracted with Blue Cell to conduct Emergency Operations Center (EOC) training for counties. This training will meet the requirements of a full scale exercise required by the LEMPG. The date for Fall River County is Sept. 10<sup>th</sup>. I will be contacting the cities and other agencies notifying them of this training. The primary audience is for elected officials and other officials that may be involved in a major disaster and how the EOC functions as it relates to FEMA declarations.
2. **SD Safety Benefits:** Fall River County has been notified that the county will be receiving an award again this year.
3. **Command Trailer Tires:** The tires on the command trailer are weather checked and need to be replaced. Hill's Auto can purchase, mount and balance the tires for \$400. I am requesting approval.
4. **Battle Mtn Road:** Work has begun on the road. My only concern is being able to access the area in the event of a fire. I spoke with Tyrel Schmetz, SD GFP, he advised it should not be a problem.

### 3. Hardware and project labor pricing – BUDGETARY

#### Budgetary Pricing: Multi-Gig Promo

- (3) ICX7150-C10ZP-2X10GR-RMT3 - \$699 each - \$2,097 total
- (3) E1MG-LX-A - \$396 each - \$1,188 total
- (6) 901-R650-US00 - \$541 each - \$3249 total
- (3) Fiber patch cables - \$60 each - \$180 total
- project labor - \$3,000 total
- project total - \$9,714

#### Budgetary Pricing: NO-PROMO but with an approved deal reg

- (3) ICX7150-C10ZP-2X10GR-RMT3 - \$2,116 each - \$6,348 total
- (3) E1MG-LX-A - \$675 each - \$2,025 total
- (3) Fiber patch cables - \$60 each - \$180 total
- project labor - \$2,250 total
- project total - \$11,553

Difference - \$1,089

This basically boils down to a promo that Ruckus is running. If you buy their wireless access points with the ICX7150 switch to do the dark fiber routing, they discount the total so much that it is cheaper than not buying the wireless access points! The project labor costs assume you will pull cable for the wireless access points.

I was doing some long term budgetary forecasting. Preliminary numbers show the price of the leased dark fiber will be offset by the decrease in price from the dedicated circuit to business class bandwidth, close to a net zero overall. At completion, you'll be able to have ~500Mbps coming

into the courthouse now with a 1Gbps connection through the dark fiber for internal speeds and matching ~500Mbps for internet traffic. This will put a new emphasis on your courthouse firewall and switching infrastructure to remove any potential bottlenecks in speed.

You'll of course save on the firewall refresh and security services renewal at the South Annex over time since those will not be in place.

Good Afternoon Lyle,

We had a call this afternoon to designate roles and responsibilities for the dark fiber project. Our intent is to coordinate the efforts so when you go to the commissioners with the information, it will be complete. There will be three documents sent over the next week or two:

1. Contractual information for the leased dark fiber – GW
2. Contractual information for the bandwidth modifications at the courthouse – GWT
3. Hardware and project labor pricing for the dark fiber connections – GWT

If you have any questions along the way, please reach out to me and with Brandyn's help can coordinate with Jamy and Rich as necessary.

Thanks!
