**FALL RIVER COUNTY
GENERAL FUND SURPLUS ANALYSIS
DATE: Estimated Dec 31 2020**

The amount of General Fund dollars that counties can retain as surplus is restricted by SDCL 7-21-18.1 which states: "The total unreserved, undesignated fund balance of the general fund may not exceed forty percent of the total amount of all general fund appropriations contained in the budget for the next fiscal year. The total unreserved, undesignated fund balance of the general fund of the county as of March thirty-first and September thirtieth shall be published in the minutes of the proceedings of the board of county commissioners and reported to the Department of Legislative Audit. The report shall be on forms prescribed by the Department of Legislative Audit."

The following analysis should be completed as of March thirty-first and September thirtieth of each year. Thereafter, the unreserved, undesignated fund balance amount should be published in the minutes of the governing board. This analysis should also be filed with the Department of Legislative Audit.

ARTICLE II: REGULATIONS

SECTIONS 2. NOISY DOGS

No person may allow any dog under his/her control to habitually make loud noises to disturb or annoy persons who are of ordinary sensibilities. This ordinance section does not apply to working farm or ranch dogs while performing that work which is their essential purpose as a working farm or ranch dog, including, but not necessarily limited to, herding livestock or protecting livestock from predators. To qualify for this exception the owner of the animal must provide sufficient evidence to qualify their animal for the exception. ~~and the land on which the animals are working must qualify as "agricultural land" pursuant to South Dakota code.~~

SUPREME COURT OF SOUTH DAKOTA
JANINE M. KERN, JUSTICE

February 9, 2021

Fall River County Commission Chair
906 N. River Street
Hot Springs, SD 57747

Dear Chairman:

The safety and security of all those who work in or visit courthouses in this state is a matter of paramount importance to the South Dakota Supreme Court. The Court knows that Judges, Sheriffs, and County Commissioners in South Dakota share this same sense of importance. As noted in last year's report of the Supreme Court's committee to Study Courthouse Security, "Securing the courthouses requires a partnership and collaboration with the Unified Judicial System (UJS), County Sheriffs, County Commissioners, and other county officials that occupy our courthouses statewide."

Recently, the UJS engaged the National Center for State Courts (NCSC) to develop and propose a security program for South Dakota courthouses. Security is one of the NCSC's many areas of expertise relating to courts and court operations. The security program to be developed by the NCSC will include proposed security standards, security plan templates, and training curricula and materials for UJS staff.

As one of its first efforts, the NCSC will distribute a survey intended to capture data on security measures in place or needed throughout the sixty-three courthouses in South Dakota. In the next couple of weeks, the survey will be sent to the presiding judge for each of the seven judicial circuits in the state. The presiding judges will be instructed to designate a circuit judge to take responsibility for filling out and returning the survey for each courthouse within his or her circuit.

Each designated judge will be asked, upon receiving the survey, to reach out to the Sheriff and to a County Commissioner to discuss the survey and coordinate the response. The input of Sheriffs and Commissioners in this process will prove invaluable as we strive to make meaningful progress toward our shared goal of improved courthouse security.

Thank you in advance for your participation in this important effort and for your public service.

Sincerely,

Justice Janine Kern
