The board discussed writing a resolution for our government to provide support for the Ukraine people.

The board received notification by the Empower Coalition of the Southern Hills, Inc. of a raffle to be held on March 26, 2022 at the American Legion. 50% of the sales will go to the Toys for Kids, and 50% to the Empower Coalition.

Motion made by Greenough, seconded by Allen, to deny CP 2022-01, due to the applicant not being on a repayment schedule for monies already owed.

Motion made by Russell, seconded by Greenough, to deny CP 2022-02, due to incomplete income information, unless more information is received.

Trish Ladner, SD House of Representatives, spoke to the Board on her draft of House Bill 7005 urging support for the people of Ukraine. Discussion was held on the defeat of HB 1039 and passage of HB 1325. More control will be at the local level in the Director of Equalization's hands, and data from the NRCS and USDA soils will be utilized. The elderly freeze was amended with the income limit being increased to \$35,000 for a single person, and \$45,000 for a family, and the property's maximum assessed value has increased to be \$299,000.00. Discussion was held on California's Proposition 15, workforce housing and how the house voted to repeal the 5 cent sales taxes and no taxes on groceries, but they didn't get through the senate. Ladner hopes to be the summer study on property taxes.

Adam Kulesa, Game, Fish and Parks, reported to the Board that there is a mutual benefit for them and the County to work together on Shep's Canyon Road, but right now the county's request to assist in the cost of chip sealing the road is not in their budget. Discussion was held on Shep's Canyon Road being the most traveled road in the county, concerns with a long-term commitment on maintenance, GFP's plans to downsize the number of camping sites.

The hearing for letters of interest for the vacant position on the Fall River Housing and Redevelopment Commission was held as advertised. Motion made by Allen, seconded by Cope to appoint Jessica Van Eaton to fill the vacancy, as recommend by the Fall River Housing and Redevelopment Commission.

Motion made by Russell, seconded by Allen, to approve the application by Advanced Communications Technology, Inc. DBA Range, for permit to Occupy County Highway R-O-W from Edgemont, SD to the intersection of Hwy 18. This will be for the replacement of the Chilson Bridge on Old Hwy 18.

Seiler notified the Board that they could do the road tour in conjunction with the next meeting and possible funding area chip seal projects. He advised that the contractors will be starting on the Chilson Bridge soon, and that the Highway Department will be moving the fencing. The Argentine Bridge is about 3 weeks away from being done.

Break was taken at 9:47 a.m. and the meeting reconvened at 9:59 a.m.

Public comment was heard from Sheriff Evans stating that there are 11 males and 4 females in the Fall River County Jail, with 2 males in the Pennington County Jail. Charity Mannis reported to the Board that their “Welcome Home Veteran’s” Proclamation was now a part of the US Congressional Record, and noted her appreciation for the county’s action. Comments were also heard from Braniff Smith, Irene Wells, Jeanine Lecy and Mike Duffy on concerns with the Cascade Fire District. Ted Wick spoke on the need for financial assistance to extend the Southern Black Hills Rural Water System down State Highway 71 (Cascade Road), and possibly down Shep’s Canyon Road.

Commissioner Greenough reported on conversations with 2 other insurance providers, noting available coverage in the Cascade Fire District. Braniff Smith could also provide insurance upon a signed agreement between Cascade Fire and Hot Springs Fire. Other possibilities were discussed, with Commissioner Falkenburg expressing support on what can be done, but to exhaust all efforts before county involvement. State’s Attorney Russell recommended that everyone get on the same page before coming back to the commission.

Dustin Ross, Andersen Engineers, met with the Board. Motion made by Allen, seconded by Greenough, to approve the following resolution:

FALL RIVER COUNTY RESOLUTION #2022-12

WHEREAS, the Veterans Administration has recommended the closure of the VA Hospital and Domiciliary at Hot Springs, South Dakota and replacement with only a community-based outreach clinic; and

WHEREAS, South Dakotans have a long and honorable history of serving this nation in the military service; and

WHEREAS, the Hot Springs VA Hospital serves the veteran needs in rural America; and

WHEREAS, the Hot Springs VA Hospital also serves a large Native American veteran population; and

WHEREAS, our returning veterans for the past one hundred and twelve years have been able to receive their care at the Hot Springs VA hospital and have well earned the right to continue receiving that care at Hot Springs. Bigger is not always better and in many cases may well result in less effective care; and

WHEREAS, the Veterans Administration for more than the past twenty years has systematically and intentionally reduced more and more services to our veterans at the Hot Springs facilities; and

WHEREAS, closure of the VA hospital in Hot Springs would result in several extra hours of travel time and inconvenience for our veterans, all to make VA Administrators look like they are being more efficient while not providing any better care;

WHEREAS, our returning veterans for the past one hundred and twelve years have received their care at the Hot Springs VA hospital and have well earned the right to continue receiving that care at Hot Springs VA with sufficient services. In 1865 President Lincoln wrote the mission statements "To care for him who shall have borne the battle and for his widow, and his orphan." Today's VA has not shown that they are concerned with providing that care, only with the efficiencies that come with reduced services and centralized facilities.

NOW THEREFORE, BE IT RESOLVED, that the Fall River County Commissioners renew our objection in the strongest terms to the proposed closure of the Hot Springs VA facilities. We urge VA Secretary Denis McDonough to reject this proposed action and also urge the Congressional delegations of South Dakota, Nebraska and Wyoming to exert their best efforts to see that this proposal is rejected and instead that services and programs such as the outstanding PTSD and substance abuse programs be enhanced and expanded.

Dated this 17th day of March, 2022

Quasi Al-Haj, West River Director for US Senator Thune, reported to the Board that in 2011 the Hot Springs VA became a campus, not a clinic. The VA system used inaccurate data before 2020 to recommend the closure of the Hot Springs VA. Since then the correct data has been rooted out to help defend the position that the Hot Springs VA is one of the best in the country. After 20 years of 2 wars, the commission believes the number of veterans needing care, especially with PTSD, will increase instead of decrease, as the Secretary of the VA has concluded. Current discussion is to build a domicile in Rapid City, which will cause the VA's to close in Hot Springs and Fort Meade. Now is the time to fight. Al-Haj feels it is better to have it here than in Rapid City. The Board supports having the VA here. There are good volunteer efforts in Fall River County and the Board is willing to help. Al-Haj noted Thune will be working with Senator Rounds and Representative Johnson; Representative Ladner will try to work with Red Dawn Foster to help fight for the VA. Dan Cullen, Veteran's Service Officer, spoke of requests that he has made for the Freedom of Information Act, PTSD issues that need to be addressed here, rather than in a larger city, the Native American population that uses the Hot Springs VA frequently and the increase of Veterans to the area (current and projected).

Lance Russell, State's Attorney, met with the Board. Motion made by Greenough, seconded by Allen, to approve travel for Russell, Carol Boche and Lynn Two Bear, to attend the 2022 State's Attorney Conference, at the Lodge in Deadwood, May 4 – May 6, 2022.

Discussion was held on the study compiled by Ron Haugen and Dwight Aare on the comparison of calculation of Ag Soil values in South Dakota and North Dakota. South Dakota's agriculture soil production model was originally designed using a template from North Dakota. Since it was adopted ND has revised their model to address inequities while SD has not. ND uses AUMs while SD uses cash rents. ND uses net revenue, taking into consideration input costs and SD uses gross revenue. ND allows for a county equalization office to determine crop acres from grassland acres, providing more local control. ND does include government payments in their model while SD does not. State's Attorney Russell has a few more questions that he would like answered; he will see if Mr. Haugen would be available to talk to the Board virtually to answer those questions, before a decision is made.

State's Attorney Russell also recognized the work that Dan Cullen, Veteran Service Officer provides with issues in the jail.

Motion made by Russell, seconded by Greenough, to enter into executive session as per SDCL 1-25-2 (1) for personal purposes at 11:07 a.m.

The Board came out of executive session at 11:17 a.m.

Motion made by Falkenburg, seconded by Russell, to adjourn at 11:18 a.m.
