FALL RIVER COUNTY APPROVED MINUTES OF DECEMBER 1, 2022

The Fall River Board of County Commissioners met in regular session on December 1, 2022. Present: Joe Allen, Les Cope, Joe Falkenburg, Heath Greenough, Deb Russell and Sue Ganje, Auditor.

The Pledge of Allegiance was given, and the meeting called to order at 9:00 a.m.

The agenda was reviewed for conflicts; none were noted. ALL MOTIONS RECORDED IN THESE MINUTES WERE PASSED BY UNANIMOUS VOTE, UNLESS OTHERWISE STATED. The full context of the meeting can be found on the county website under Commissioners at <u>http://fallriver.sdcounties.org</u>, or under Fall River County Commission, SD at <u>http://www.YouTube.com</u>.

Motion made by Russell, seconded by Allen, to approve the agenda with the addition of a resolution for the Variance for Medical Cannabis Cultivation.

Motion made by Greenough, seconded by Russell, to approve a pay raise for Charles Dobbs (Certified Deputy), \$17.50 to \$19.50 per hour, effective November 21, 2022, as per union contract.

Motion made by Russell, seconded by Allen, to approve setting a supplement and contingency hearing for December 15, 2022 at 9:30 a.m.

Motion made by Russell, seconded by Greenough, to approve setting a year end meeting for December 29, 2022 at 9 a.m.

Motion made by Greenough, seconded by Allen, to table the \$1,500 essential pay until executive session.

Motion made by Russell, seconded by Greenough, to approve the minutes of November 17, 2022.

There were no applicants for county assistance.

Teresa Pullen, Treasurer, met with the Board. Motion made by Greenough, seconded by Allen, to approve hiring Misty Heronimus, \$14.00 per hour, effective November 28, 2022, as per union contract.

Stacey Martin, GIS, met with the Board. Motion made by Greenough, seconded by Allen, to approve the Vanguard quote for online mapping, with a one-time fee of \$1,000.00 and a yearly fee of \$2,681.25, for 5 years, as long as Oglala Lakota County also signs the 5 year offer and agrees to pay their portion.

A Hearing continuation for the Variance for Medical Cannabis Cultivation License was held. Motion made by Russell, seconded by Cope, to accept State's Attorney Russell's recommendation that 1) the application was denied after evidence presented that no sign was placed 10 days before the hearing and 2) that the application failed burden of proof on the Variance C 1 - 4 and the Ordinance B 1 - 5 and A 3.

With all voting yes, by roll call vote, motion carried.

Joe Falkenburg, Commissioner, discussed with the Board the possibility of hiring a Public Defender versus continuing with the current Court Appointed Attorneys. Discussion was also held stating that the State's Attorney's office has helped to keep the costs down for the fees and collection of fees. Reimbursements were discussed. Concerns were raised about the small size of the county and having to hire conflict attorneys to assist. Hustead Law Office would be in touch with the State's Attorney's Office to work out concerns and details; further discussion would be held at the next meeting.

Calvin and Cole Romey met with the Board to request maintenance on South Beef Creek Road as it is listed on the SD DOT mapping as a Secondary Road. Discussion was held regarding what services the County provides on minimum maintenance roads. State's Attorney Russell provided a prior SD Attorney General's opinion on the subject.

Motion made by Greenough, to approve having the Romeys purchase all of the needed gravel, with the County putting ballast down first and having the County haul the gravel and maintaining. Motion dies for lack of a second.

State's Attorney Russell recommended to the Board that they take the matter under advisement and to table the discussion until the next meeting so he and Attorney Romey could work on an agreement.

Randy Seiler, Highway Superintendent, reported to the Board that a rancher is requesting a pipeline easement; the Board advised Seiler if he's comfortable with it, go ahead and proceed with the easement and get firm approval at the next meeting. Commissioner Russell spoke of the need for gravel in areas of the Oral Road.

Motion made by Cope, seconded by Allen, to approve the bills as follows:

Break was taken 10:04 a.m. and the meeting reconvened at 10:12 a.m.

Public comment was heard. Sheriff Evans reported 10 males and 4 females are being held in the Fall River County Jail, with 2 males and 1 female in the Pennington County Jail, for a total of 17 inmates; further discussion was held on rates being raised at the Pennington County Jail in January. Additional comments were heard from Paul Nabholz, Kim Allen and Dusty Pence with continued concerns about the 2022 General Election. Allen also spoke of research that has been done involving Cannabis processing; she has concerns regarding taxes, water and pesticide use and the carbon footprint. Commissioner Falkenburg spoke of the government no longer being able to control weeds in the Big Horn area of Wyoming, which could affect our county in the future.

Dustin Ross and John McBride, Andersen Engineers, met with the Board. Motion made by Allen, seconded by Greenough, to approve the following resolution:

FALL RIVER COUNTY RESOLUTION #2022-53

A Plat of Lot 30 of Shep's Canyon Estates Subdivision, located in the NW1/4NE1/4 of Section 27, T8S, R5E, BHM, Fall River County, South Dakota

WHEREAS, there has been presented to the County Commissioners of Fall River County, South Dakota, the within plat of the above described lands, and it appearing to this Board that the system of streets conforms to the system of streets of existing plats and section lines of the county; adequate provision is made for access to adjacent unplatted lands by public dedication or section line when physically accessible; all provisions of the county subdivision regulations have been complied with; all taxes and special assessments upon the property have been fully paid; and the plat and survey have been lawfully executed; now and therefore,

BE IT RESOLVED that said plat is hereby approved in all respects.

Dated this 1st day of December, 2022.

<u>/s/Joe Falkenburg, Chairman</u> Fall River County Board of Commissioners ATTEST: <u>/s/Sue Ganje</u> Fall River County Auditor

Motion made by Allen, seconded by Cope, to approve the following resolution:

ATTEST: <u>/s/Sue Ganje</u> Fall River County Auditor

Sue Ganje, Auditor, gave a report to the Board on the issue of the 3 precincts that had received 1 to 3 packets of Oglala Lakota County ballots that were mistakenly wrapped and marked as Fall River County ballots, along with their proper Fall River County ballots. The incorrect ballots were opened first in those precincts and they contacted our office. We then contacted precincts in both counties to make sure there were no other ballots that were in the incorrect county, which there were not. The Oglala Lakota County ballots that had been voted in Oelrichs were then considered spoiled ballots. The precinct sealed the ballot box and the Auditor's office staff transported it, along with the remaining incorrect ballots to secure in our vault. At that time, correct ballots and a new ballot box were delivered. The 10 original voters were contacted and asked to come back to the Oelrichs poll to vote on Fall River Ballots, 9 of which returned. Hot Springs #2 had 7 voters and Jackson had 9 voters that were given the incorrect ballots. They immediately located the bundles of correct ballots for use. Those Oglala Lakota County voted ballots remained in the ballot boxes. Going forward, the office is creating a 2-person verification system before the final seal is applied to wrapped ballots, and/or any other election items are sent to the polls. This will be for ballots, totes with precinct specific supplies and other items, as needed. The Oglala Lakota ballots ran thru the tabulator successfully with the Fall River Ballots, counting all the similar races on both county's ballots. ES&S (our ballot printing company) stated that both county ballots were coded Sequence 00001 and both were printed by style, so it did not differentiate between counties.

Ganje reported on a letter from Disability Rights of SD which noted concern on the doors handles and step at the polling place in Oelrichs. Discussion was held on ways to fix those items to increase accessibility to the Community Center. Commissioners Greenough and Cope spoke of the handicap entrance in the back. If that is not sufficient, the polling place could be moved to the new gym at the school.

Ganje also discussed that growth for pay 2023 was incorrect due to the current software conversion to a new vendor, and growth not being entered into the IBM system that converted the tax file to the auditor. Discussion was held on the county and entities that requested the maximum taxes allowable by the revised growth factor. Ganje will bring the item back to the next meeting.

Motion made by Allen, seconded by Greenough, to enter into executive session as per SDCL 1-25-2 (1) for personnel purposes and as per SDCL 1-25-2 (4) for negotiations at 10:49 a.m.

The meeting resumed at 1:18 p.m.

Motion made by Greenough, seconded by Allen, to approve \$1,500.00 in essential pay for all employees.

Motion made by Greenough, seconded by Russell, to adjourn at 1:20 p.m.
