Break was taken at 10:08 am. The meeting resumed at 10:15 am.

Lily Heidebrink, Director of Equalization, met with the Board to discuss a possible abatement and refund.

Motion made by Allen, seconded by Cope, to approve the abatement of \$1,857.31 and refund of \$1,622.19 for Timothy and Lori Allen. Property should have been assessed as agricultural.

Mel Engebretson, Register of Deeds, met with the Board to request they rescind a plat.

Motion made by Cope, seconded by Allen, to rescind Fall River County Resolution #2020-49, A Plat of Harry Tract, Irene Tract and County Line Tract, all located in the NW1/4 of Section 1, T7S, R3E, BHM, Fall River County, South Dakota. This was due to two easements being noted on the plat, but neither easement was filed prior to the plat approval.

Elevatus met with the Board to present the Justice Center feasibility study. The study is available on Fall River County's website and may be emailed by request. Elevatus will return on January 4, 2024 and be available to answer questions.

Public Comment was held. Surgee Johnson, former County resident, wanted to express his extreme frustration in reference to property owned in Edgemont by Debbie Herrington. Susan Henderson, County resident, provided the Board with a letter that she had written to the US Forest Service regarding the proposed Crowe Dam Prescribed Burn. She asked for and was granted permission to leave a petition-like document that she would like the public to sign at the Auditor's office.

Joe Falkenburg, Chairman, declared the meeting adjourned at 11:28 a.m.
