FOR IMMEDIATE RELEASE: December 3, 2024

### **Fall River Deputies respond to School Threat**

Edgemont, S.D. – Shortly after 9 AM on December 3, 2024, Fall River County Dispatch received a 911 call regarding a student who threatened to harm a teacher as well as students at Edgemont School. The student had left the school and was believed to be walking home to retrieve a weapon.

Edgemont School went on an immediate lockdown.

Fall River County Deputies located the suspect inside of his residence. He did not have any weapons in his possession and was taken into custody without incident.

This incident is still under investigation by the Fall River County Sheriff's Office, there were no reported injuries.

All information released so far is only preliminary.
