### **Wildfire in Hot Springs**

A wildfire was reported to the Fall River County dispatch at 1:22 PM on February, 25th, 2025. Original report of fire to dispatch was made by private citizen of a fast moving fire. Fire page was sent at 1:23 PM.

This wildfire was not named. The wildfire was located on Summit Avenue. This is in the Hot Springs fire district. First responders on scene reported a structure and propane tank on Birch street were threatened by the fire. The Hot Springs Volunteer Fire Department and South Dakota Wildland Fire first responded to the fire. Minnekahta Volunteer Fire Department and the VA were paged for mutual aid but were stood down before arriving.

There were no evacuations. Most fire units were released by 2:31 PM. No structures were lost.
